

This is the wrong approach to caring for our seniors.

TIME TO STOP POLITICAL GAMES AND WORK TOGETHER

(Mr. BACA asked and was given permission to address the House for 1 minute.)

Mr. BACA. Mr. Speaker, right now Californians in my home district face an almost 14 percent unemployment rate and are dealing with the fourth highest rate of foreclosures in the Nation.

What my constituents need above all else is for both of us, Republicans and Democrats, to come together on creating new jobs. Yet in the last 18 weeks the Republicans have controlled the House, they have yet to bring one single bill focused on creating jobs. Instead, they have put forward a partisan agenda that is more about scoring political points than helping American families.

We should be putting American families back to work. We should not be voting to dismantle safety nets for seniors and vulnerable Americans. The Republican attacks on Medicare and Medicaid go against our core values and threaten the health care of 44 million low-income Americans.

It is time to stop political games. Let's work together, and I say let's work together and focus on straightening out our economy and creating jobs.

CONGRATULATING NEWARK COMMUNITY HIGH SCHOOL BOYS BASKETBALL TEAM

(Mr. HULTGREN asked and was given permission to address the House for 1 minute.)

Mr. HULTGREN. Mr. Speaker, I rise to congratulate the Newark Community High School boys basketball team on their 2011 Illinois class 1A championship title. This is a great accomplishment; and their team, coaches, and the entire Newark community should be very proud.

Newark, Illinois, is a town of less than a thousand people. It is symbolic of our great Nation and is a place I am honored to represent. Newark High School, with a total enrollment of less than 200 students, has never before won the State championship. Coach Rick Tollefson, head coach of the Newark Norsemen, has been with the program for 5 years and in that time has led the Norsemen to three consecutive sectional championships as well as this year's State title. It has certainly been an exciting time for this close-knit community.

On behalf of the House of Representatives, I would like to personally congratulate everyone who made Newark history this year, as well as those who made it possible—the school's administrators and the entire Newark commu-

nity. I appreciate their hard work and dedication to this basketball program and to the students of Newark High School. Congratulations on a job well done.

CODE NAME "GERONIMO"

(Mr. FALEOMAVAEGA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. FALEOMAVAEGA. Mr. Speaker, just last week, the U.S. military carried out a covert operation that ended in the killing of the most wanted terrorist on the planet, Osama bin Laden. The news of Osama bin Laden's death at the hands of our heroic Navy SEALs sent forth a wave of tremendous relief by the American people.

However, Mr. Speaker, we also learned that the U.S. military and the CIA used the code name "Geronimo" for the operation to seize and kill Osama bin Laden. The first reports of the details of the raid stated that Osama bin Laden had been identified as "Geronimo"—enemy killed in action.

Mr. Speaker, I would strongly suggest to all my colleagues in the House that you should go and see the movie "Geronimo" and see for yourselves if the Chiricahua Apache warrior Geronimo was a terrorist and murderer of thousands of innocent men, women, and children like Osama bin Laden. On the contrary, Geronimo was one of the greatest American Indian warriors who fought against some of the most vicious, cruelest, and inhumane treatment and policies instituted by our Federal Government against his people.

As a Nation—Mr. Speaker—I know we can do better than this. And with all due respect, I believe the President and CIA Director Panetta owe the Apache Nation an apology.

JUAN WILFREDO SOTO

(Mr. RIVERA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. RIVERA. I rise today to inform my colleagues of yet another ruthless murder by the Castro dictatorship in Cuba. Last Sunday, Juan Wilfredo Soto Garcia, a dissident leader on the island, was viciously beaten to death by Castro's state security thugs simply for participating in a peaceful protest.

Soto belonged to Foro Anti-Totalitario Unido, or the United Anti-Totalitarian Forum, a peaceful dissident organization. Witnesses have attested that two of Castro's henchmen cuffed his hands behind his back and then beat him mercilessly and repeatedly with batons until he was dead.

For 30 years, Soto peacefully worked for freedom and change on the island and served 12 years in Castro's political prisons for his pro-democracy advocacy. Last year, Soto stated, "I hold Cuban state security, the government,

and the repressive police here responsible for whatever happens to me in the future."

This past weekend, he gave the ultimate sacrifice for Cuba's freedom and became yet another victim in the Castro brothers' 50-year reign of terror.

MEDICARE

(Mr. YARMUTH asked and was given permission to address the House for 1 minute.)

Mr. YARMUTH. Mr. Speaker, this past Tuesday, 41 House Republicans sent a letter to President Obama pleading with him to stop the criticism of the GOP's plan to turn Medicare into a private voucher system—a system that would cost future seniors thousands of dollars each year. Let bygones be bygones, these Republicans said. Let's wipe the slate clean. Well, I can't help but laugh at the irony.

Last year, in districts all throughout the country, Republican candidates for Congress attacked Democrats for supporting the Affordable Care Act, claiming it cut \$500 billion from Medicare—wrongly, I might add.

Fast forward 1 year later, and those same Republicans now in Congress just a few weeks ago voted for a budget that actually embraces the very same \$500 billion in savings we found in Medicare in the Affordable Care Act.

There's a difference, though. In the health care law, Democrats took that \$500 billion and reinvested it in Medicare to increase the life of the program for more than a decade. What did the Republicans do? They take that \$500 billion and use it to pay for more tax cuts for the wealthiest Americans and giant oil companies. And Medicare? They dismantle it, forcing future seniors into a new system that will require them to pay upwards of \$180,000 more for their care.

The American people will not let them forget.

UNDERSTANDING WHAT'S HAPPENING AT THE PUMP

(Mr. MORAN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MORAN. Mr. Speaker, 1 year ago, lax regulation and reckless pursuit of higher oil company profits resulted in 11 deaths, 200 million gallons of oil dumped into our gulf waters, tens of thousands of marine and aquatic life lost, and a damaged fishing and tourism industry. A panel of experts showed us how we can learn from past mistakes and implement regulations to ensure that this disaster doesn't happen again. Yet over the last 2 weeks the Republican majority has passed legislation to create an even more lax regulatory environment than existed before the BP oil spill disaster.

Opening our shores to drilling and returning to pre-BP oil spill regulations won't reduce our dependence on foreign
